Chapel Hill, NC 27516

Dear Mr. Miller

It is my pleasure to inform you that you and the Shared Visions Foundation have been selected to receive a 2011 Gertrude S. Carraway Award of Merit from Preservation North Carolina for the renovation of the Murphey School. The Carraway Awards are presented each year to people and organizations demonstrating genuine commitment through extraordinary leadership, research, philanthropy, promotion and/or personal participation in historic preservation.

The Carraway Awards will be presented as part of PNC's Annual Conference in Mount Airy on Friday, September 30. The awards presentation will take place beginning at 11:15 a.m. at Downtown Cinema (142 N. Main Street). A luncheon will follow at the William Alfred Moore House (202 Moore Ave).

We invite you and a guest to attend the awards presentation and luncheon as our guests. We encourage you to invite friends and business associates as well; however, we must ask that they attend at their own expense. Enclosed is information about making additional reservations. Please respond to Lauren Werner (lwerner@presnc.org or 919/832-3652 x238) as soon as possible to confirm your availability to attend.

You will be asked to come to the podium to receive your award. If you are unable to attend the awards program, please let us know who will accept on your behalf.

Again, congratulations on this notable preservation achievement.

Sincerely,

J. Myrick Howard  
President

*Congratulations!*
